

PAYING YOUR BID TAX

Your Georgetown BID tax funds the operations of the Georgetown Business Improvement District (BID) - a 501(c)6 organization that maintains and manages the Georgetown commercial district's public environment as a vibrant place to do business.

The BID tax is a DC Tax and must be paid on time and in full in order to avoid penalties and interest. Payment of BID taxes is a little different than paying DC property taxes, so please follow the procedures below to ensure that your BID tax is properly posted to your BID tax account. While the BID is not directly involved in the processing of your taxes, we are here to assist you to ensure that your payment to the Office of Tax and Revenue goes smoothly. Tax bills must be paid by September 15 for the first half of the payment and by March 15 for second half of the payment. The current tax rate for the Georgetown BID is 15.45% per \$100 based on assessed value.
